# MENACHEM MENDEL HOFFMAN

**Address:** Sydney, Australia • **Mobile:** 0401717940
**Email:** mendelhoffman2015@gmail.com • **LinkedIn:** https://www.linkedin.com/in/menachemhoffman

## CAREER PROFILE

Currently studying computer science with an initial aspiration of becoming become a full stack developer within next the five years. In time, inspire to be a to become a junior backend developer with a particular interest in data science, solving complex problems for people and a strong track record of working with large teams to complete deliverables for programing development

## EDUCATION

*Bachelor of Computer Science*

**Deakin University, Melbourne, Australia**                                                                     March 2021 - Present
- Learning a range of subject with computer language such as C# with Object-Oriented programming
- Python with the data structures course

*Diploma of Applied Information Technology*

**Latrobe University, Melbourne, Australia**                                                    September 2019 - January 2021
- Received a sound background of computer hardware, computer software and Internet of things devices
- Object-Oriented programming in Java

## TECHNICAL SKILLS

- Proficient Object-Oriented programing in Java and C#
- Informed Relational Databases with AWS in SQL
- Skilled in Web development with HTML, CSS, JavaScript, framework Vue.js
- Competent with Data Structures in Python

## EXPERIENCE

**The Kashrut Authority, Sydney, Australia**                                                        November 2019 - Present
*Field Supervisor*
- Managed clients to ensure their food is up to kosher highest standards for the local community

**Kesser Torah College, Sydney, Australia**                                                 January 2014 - September 2016
